LIABILITY RELEASE and
CREDIT CARD AUTHORIZATION

Thank you for choosing Canyon View Ranch and for entrusting us with the care of your dog. Your dog's health and well-being is of utmost concern to us. Every effort will be taken by Canyon View's management and staff to provide a happy and healthy experience for your dog.

Canyon View Ranch is a free range facility where dogs spend the day playing together. Although rare, arguments between some dogs may occur and could cause injuries, or an injury may occur by accident as dogs are playing together. Our staff is trained to intervene as quickly as possible, however, **should veterinary care be necessary, you are responsible for all expenses related to your dog regardless of which dog was at fault.**

All dogs are required to have proper vaccinations, including Bordetella (kennel cough). But as with a flu shot for humans, the Bordetella vaccination only reduces the possibility or lessens the severity but does not necessarily prevent infection. On occasion, dogs might be exposed to viruses from other dog guests and become ill. In the rare event that your dog shows symptoms of illness we will seek immediate intervention and/or treatment. **However, Canyon View Ranch will not assume responsibility for expenses related to your dog either while staying with us or upon return to home.**

In signing this release, you or the authorized signer on this credit card accepts responsibility for your own dog's expenses should any injury or illnesses occur. Your signature will also serve as authorization for Canyon View Ranch to use your credit card for any deposits, services, and/or medical/veterinary needs in your absence.
